Nancy—

Thanks for our chat earlier this morning. Here's the slightly tweaked version, per our discussion.

Rick,

Attached are a few suggestions for consideration. Also below is a short summary I would send with the email to OP. Suggestions/edits appreciated on both.

Nancy—

It was nice seeing you at the OPP General. Welcome to our world!

Per your request, here is the issue paper that Wendy and I mentioned during this afternoon's discussion. I'm sure you will have lots of questions; we'd be happy to give you a deep dive briefing on where we've been on ESA, current activities, legal obligations under the current set of settlement agreements, and pending litigation.
